Press Initiative for the Foundation

One of the goals for 2022 was to upgrade the Foundation website with new, more professional photos. Nick Dennis started us off right with some great shots of the Freedom Ride. Bruce added some pics from the Gala in April and work continues on Grant recipients and a video produced by the Panther Sports network students due in February.

In January, the Foundation sponsored a Liberty County Chamber event further increasing our community presence. Ross Norwood and Bruce Wright were featured on the Liberty Live YouTube show talking about this year's activities. Other efforts were LFR t-shirts, a Xtreme Fall athletic program advertisement, and a Panther Sports Network sponsorship.

Margo Taylor faded to our efforts to get the word out by constructing a fine scrapbook featuring everything "Foundation" since 2007. great thanks to her and her effort. Finally, Wright was asked to speak to the Liberty Rotary Club and bring that organization up to date on this year's upcoming Casino Night fundraiser.

Highlights... from 2022

Financial Position

Our financial position continues to be strong even though the market was not as strong as last year. The Ester Melaski Scholarship was donated by their family members to become part of our grant initiative.

The Liberty Freedom Ride nor the Gala were as profitable as hoped, causing the directors to re-evaluate those events. In our strategic planning, sponsorship of events was stressed as the way to maximize the profit for these fundraising efforts.

Payroll deduction was extremely successful more than doubling our current participation from LISD staff. Rhonda Smith and Mychal English will be teaching us their successful strategy this year.

Change of Fundraising Events

Directors were forward thinking in their approach to events and fundraising though after responding to suggestions from the group to make our fundraising events more profitable.

Casino Night, scheduled for March 4th at the TVE in Liberty started off with a \$40,000 sponsorship drive. "That takes so much pressure off of the ticket sales and effort to be an event that can help our Innovative Grant Initiative," Wright said. "I'm very appreciative of our directors and their efforts."

The last three years McGee has been the Deputy Superintendent of Liberty ISD. McGee is universally respected and admired by

students, parents, and faculty, as evidenced by the fact that he has been named Teacher of the Year, Principal of the Year, and as the Liberty Vindicator's Best Principal of 2016.

Mr. McGee has been married to his wife, 1990 Liberty High School graduate, Wendy Brewer McGee for 21 years. Their daughter Bailey attends Galena Park Early College High School and their daughter Kinley is a sixth grader at Liberty Middle School. A Letter from Our President

Dear Friend of the Liberty ISD Education Foundation,
My name is Brandon Davis, and I am currently the President of the Liberty ISD Education Foundation and a proud graduate of Liberty High School. As you know, Liberty ISD provides a first-class education for all of its students, with programs that enable them to be successful in college, trade school, the

military or the workplace upon leaving school. The Liberty ISD Education Foundation is an independent, non-profit 501 (c)(3) organization whose mission is to help Liberty ISD students by funding classroom grants for materials and programs outside the scope of Liberty ISD's normal operating budget. Since its inception in 2007, the Foundation has awarded over \$288,000

through 86 grants to provide innovative programs and materials in the classroom at Liberty ISD. The Foundation has had well over 80 directors since 2007.

The Foundation raises money by hosting fundraising events, such as the Casino Night and the annual Foundation Gala, and through donation drives in our local community. These fundraisers and donations to

the Foundation help us award more grants and improve the innovative programs and materials offered to our students. All donations to the Foundation are tax-exempt.

We believe that education is the cornerstone of our communities and our country. It is imperative that, as our community and schools grow, we continue to support our students and

give them every opportunity possible to be successful. With your help and your continued giving, we can make a difference in our community and in our country.

Sincerely,
Brandon Davis

LISD Payroll

Deduction... Join us

Many districts use this as a significant tool to get their personnel involved. Grants benefit all of our students. Employees can give as little as 1\$ a paycheck or as much (the sky's the limit) depending on their level of support. Each donated dollar given goes to support classroom grants. Go to www.LibertyEducationFoundation.net and click on the **how can you help** menu. It only takes about 2 minutes.
